Explanation of Responses:

* If the form is filed by more than one reporting person, *see* Instruction 4(b)(v).

** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. *See* 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

These Class B ordinary shares will automatically convert into Class A ordinary shares on a one-for-one basis for no additional consideration concurrently with or immediately following (1) the consummation of the initial business combination by the Issuer, on a one-for-one basis, subject to the adjustments described in the Issuer's prospectus on Form S-1 filed on March 15, 2021 (the "Prospectus"). The Class B ordinary shares have no expiration date.

Represents Class B Shares in Virgin Group Acquisition Holdings II LLC, a Delaware limited liability company ("Holdings"). Holdings holds an economic interest in Virgin Group (2) Acquisition Sponsor II LLC, a Cayman Islands limited liability company (the "Sponsor"). These Class B shares in Holdings represent an indirect economic entitlement to the proceeds attributable to holdings of the Sponsor, including a number of the Class B ordinary shares of the Issuer. The Class B shares in Holdings have no expiration date.

Represents a discretionary adjustment made by the manager of Holdings to the number of Class B Ordinary Shares associated with the reporting person's Class B Shares in Holdings in response to a discretionary adjustment made by the manager of the Sponsor to the number of Class B Ordinary Shares associated with Holding's interests in the Class B ordinary shares (3) held by the Sponsor. These adjustments were made to reflect the purchase of additional warrants by the Sponsor in connection with the exercise of the overallotment option in full by the underwriters. No separate consideration was paid by Holdings or the reporting person for either of these adjustments.

This discretionary adjustment did not change the number of Class B Shares in Holdings held by the reporting person, but did increase the number of Class B ordinary shares underlying (4) those shares. The figure provided in Column 7 represents an increase in the number of Class B ordinary shares underlying the 10,000 Class B Shares in Holdings held by the reporting person as a result of the June 4, 2021 adjustment reported here. After this adjustment there are 10,000 Class B ordinary shares underlying these 70,216 Class B Shares in Holdings.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
