Item 5.03 Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On June 5, 2023, Grove Collaborative Holdings, Inc. (the "Company") effected a 1-for-5 reverse stock split (the "Reverse Stock Split") of its Class A common stock, par value \$0.0001 per share ("Class A Common Stock"), and Class B common stock, par value \$0.0001 per share ("Class B Common Stock," and together with the Class A Common Stock, "Common Stock"). As previously disclosed, at its annual meeting of stockholders held on May 24, 2023 (the "Annual Meeting"), the stockholders of the Company approved a proposal to authorize the Company's Board of Directors (the "Board") to amend the Company's Certificate of Incorporation to effect a reverse stock split of all of the outstanding Common Stock, at any time prior to the 2024 annual meeting of stockholders, at a ratio of not less than 1-for-5 and not more than 1-for-25, as determined by the Board in its discretion. On May 24, 2023, the Board approved the Reverse Stock Split at a ratio of 1-for-5. On June 5, 2023, the Company filed with the Secretary of State of the State of Delaware a certificate of amendment (the "Certificate of Amendment") to amend the Company's Certificate of Incorporation to effect the Reverse Stock Split as of 5:00 p.m., Eastern Time on June 5, 2023 (the "Effective Time").

Trading of Class A Common Stock on the New York Stock Exchange is expected to commence on a split-adjusted basis on June 6, 2023 under the existing trading symbol "GROV." The new CUSIP number for the Class A Common Stock following the Reverse Stock Split is 39957D201. The Company's warrants will continue to be traded under the Symbol "GROV.WS" and the CUSIP number for the Company's warrants will remain unchanged.

At the Effective Time, every five issued and outstanding shares of Common Stock will be converted into one share of Common Stock. Once effective, the reverse stock split will reduce the number of shares of Class A Common Stock issued and outstanding from approximately 132 million to approximately 26 million, and the number of shares of Class B Common Stock issued and outstanding from approximately 49 million to approximately 10 million. No fractional shares will be issued in connection with the reverse stock split.

Stockholders who otherwise would be entitled to receive fractional shares will instead receive a cash payment (without interest) equal to the fractional share of post-reverse split Common Stock to which such stockholder would otherwise be entitled multiplied by the average of the closing sales prices of a share of Class A Common Stock (as adjusted to give effect to the reverse stock split) on the NYSE during regular trading hours for each of the five consecutive trading days immediately preceding the date of the Effective Time.

All outstanding public warrants to purchase Class A Common Stock will be proportionately adjusted as a result of the reverse stock split in accordance with the terms of the warrants, such that every five shares of Class A Common Stock that may be purchased pursuant to the public warrants immediately prior to the reverse stock split now represent one share of Class A Common Stock that may be purchased pursuant to such warrants immediately following the reverse stock split. Correspondingly, the exercise price per share of Class A Common Stock attributable to such warrants immediately prior to the reverse stock split has been proportionately increased, such that the exercise price per share of Class A Common Stock attributable to such warrants immediately following the reverse stock split is \$57.50, which equals the product of five multiplied by \$11.50, the exercise price per share immediately prior to the reverse stock split. The number of shares of Class A Common Stock subject to the public warrants will be decreased by five times, to an aggregate of 1,610,000 shares. Proportionate adjustments will be made to the exercise prices, grant prices or purchase prices and the number of shares underlying the Company's outstanding equity awards, as applicable, and private warrants exercisable for shares of Common Stock, as well as to the number of shares issuable under the Company's equity incentive plans, as determined by the Compensation Committee of the Company's Board of Directors and/or in accordance with the terms of certain existing agreements, as applicable.

The foregoing description of the Certificate of Amendment is qualified in its entirety by reference to the Certificate of Amendment, a copy of which is filed as Exhibit 3.1 to this Current Report on Form 8-K and is incorporated herein by reference.
